REVIEW OF FUEL LEVY SOUTH AUSTRALIA EFFECTIVE 1ST FEBRUARY 2010

1st February 2010

Dear Valued Customer,

We refer you to the fuel levy imposed on 22nd May 2006.

The levy amount has been reviewed and from the 1st February 2010 it will change to:

- The levy for local cartage will be 10% and is based on the diesel price of 127 cents per litre.
- The levy for long distance cartage (outside metro area) will be 13.5% and is based on the diesel price of 127 cents per litre.
- The levy is reviewed on a monthly basis with the next review due on the 1st March 2010.

The monthly review may or may not result in a change to the current fuel levy being charged. If there is a fuel price movement which has a material effect on the current fuel levy, a revised notice will be issued via our website.

Yours faithfully
VI.SA. Australia P/L
